

Elly's Dog Alarm Co
A Leader of the Pack in Fire Protection

***WE'RE THE LEADER OF THE PACK IN
FIRE PROTECTION SINCE 1996***

Our Dogs Are...

- Monitored 24/7 by our Pup Monitoring Team.
- Disposed of humanely when they are no longer considered useful (trash compactor, thrown into an incinerator, destroyed/killed via hammers and bricks, sometimes even lit on fire).
- Not sentient, so they don't have feelings or can't feel any pain.
- Loved (because we can love dogs and can enjoy them being destroyed at the same time!).
